

I fully support the no call list and want this kept as it is or made more stringent. I live in Wisconsin I have have been very pleased over the past year that I am not getting 10 phone calls a day from telemarketers. I should be able to make the choice whether I want telemarketers to call me or not. That is why I signed up for the no call list.....I DON'T want them calling me. Not from corporations, non-profits, banks, or any other organization.
